Homeless Predictor Calculator

Monthly Necessary Expenses: [user input]

Savings: [user input]

If you lost your job and couldn't find a job for
[insert calculated time until homeless],
you would become homeless based on your
necessary expenses and how much you have saved.

You are at **high risk** of becoming homeless.

Since losing your job would put you at risk of becoming homeless in a short
amount of time, it would be prudent to reduce your monthly necessary expenses
and increase your savings.

Here is a list of homeless shelters that service [insert county name] County. Be
sure to volunteer or donate!

Homeless Shelter	Location	Contact Information	Address
Homeless Shelter 1	Location 1	Contact Information 1	Address 1
Homeless Shelter 2	Location 2	Contact Information 2	Address 2
